

ST 9024, 25 Fold-Up Wire Terminal Extractor Kits:

Sir Tools introduces the "Swiss Army Knife" of wire terminal extractors. This internationally patented design offers the technician a handy "all in one" extractor kit that folds up and slides together into its own unique and compact storage housing. Either kit is equipped with factory correct extractor press bits. These press bits release DC wiring terminals from its harness that connect to ECU's, sensors, etc., found on most every late model vehicle.

Part# ST9025

- A = Tube - Spring Loaded - 3.3mm X 28mm
- B = Square Blade - 1.4mm X 19mm
- C = Flat Blade - 1.5mm X 24.75mm
- D = Flat Blade - 2mm X 23mm
- E = Fork Blade - 8mm X 24mm
- F = Flat Blade - Screwdriver - 3/16" X 1.00"
- G = Tube - 3.3mm X 28mm
- H = Tube - 4.3mm X 13mm
- I = Tube - 3.75mm X 13mm
- J = Tube - 3mm X 13mm
- K = Flat Twin Blade - 1.6mm
- L = Flat Twin Blade - 3mm

Compact Storage Housing
3.5" x 1.4" x 1.6"

Part# ST9024

- 1 = Key for European, Asian & Domestic w/ 35 pin ABS, ECU's.
